

FAMILY NIGHT – ART & SCIENCE NIGHT

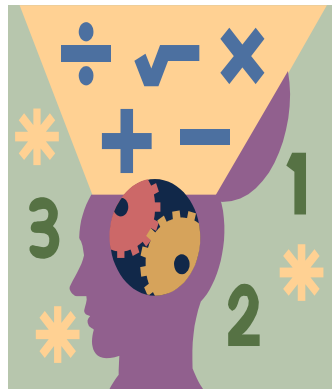

What a great Family Night we had on Tuesday. First, **thank you so much to all the parents** who helped by preparing the delicious food and serving it to over 170 people. If we were in the restaurant business we would do well!

Secondly, **thank you to each and every student** for the spectacular artwork. The standard and variety was very impressive. A **very big thank you to Mrs. Anderson** for her hard work teaching the students such a diverse curriculum. **Thank you also to**

Mrs. A and her parent helpers for the hours that went into creating the display. Students' art work will remain on display in the hallway until Thursday, March 6.

Each class demonstrated aspects of their science curriculum with experiments and activities. Junior High students presented their research projects; 2nd, 3rd, and 6th grades showed how the human body works; 4th and 5th grades demonstrated physics; and KG and 1st grade made working volcanoes, grew healthy plants and sprouted seeds. The level of interest and knowledge shown in all grades was impressive. **Thank you students; and thank you very much teachers** for your hard work and the inspiration you are.

We raised \$600 from ticket sales which will be contributed to the cost of the new computers recently added to the lab.

INTERNATIONAL FAIR

JUDSON EAGLES

We are having a great basketball season. Both teams have seen success and have learned valuable basketball and life skills. The final games are next week, with the Judson Eagles boys' team playing a home game on Wednesday, March 5. Come out and show your support.

BASEBALL begins in early April. The team will be coed. They have begun practicing already.

GIFT CARDS

We will sell gift cards again for Easter. Forms are being sent with this letter. Orders must be in the office by Wednesday, March 12, and the cards will be at school before Good Friday.

PRAYER

Every Thursday morning from 8:00 to 8:30 parents gather in the after-school care room to pray. They pray for all the teachers and staff, the students and upcoming school events. They will also pray for any family needs that are known. If you are able we invite you to join this prayer group. As a school we are committed to prayer and know that it is only by prayer and God's grace that we see change and progress. We also invite you to share any prayer requests with the group – they are very happy to pray for you.

YARD SALE

SATURDAY, APRIL 5

Details of time and place will be announced by mid-March – watch your email for a flyer. **WE NEED VOLUNTEERS.** This is a good opportunity to complete your service hours before June. Contact the office if you can help. Money raised will help pay for the new computers and for playground equipment.

INTERNATIONAL FAIR

The fair is the big event of the school year at Judson. Please read the accompanying flyer about the International Fair to see how you can be involved. This is a great opportunity to support the school and to have fun at the same time.
