

### JUDSON EAGLES

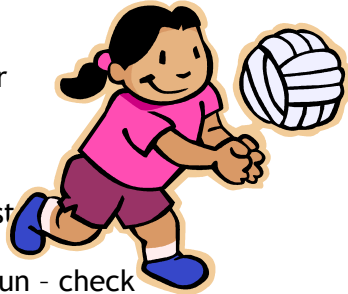

Come out and cheer for our very own Flag Football and Volleyball teams.

Each team will play one or two games per week against local schools.

The competitions have begun - check the website or the school sign for home games. Both teams are practicing hard and playing well. From next week they will play games in their new, custom-designed uniforms with our new sports logo featuring an eagle.

**Monday, October 8, Volleyball @ Judson**

**Wednesday, October 10, Flag Football @ Judson**

### **SCHOOL IS OFF TO A GOOD START.....**

A few reminders so that we continue on well:

- Students must be **dropped off and picked up** inside the parking lot, not on the street. This is a campus policy and we need to comply for the safety of our students.
- We are enforcing our **uniform code**. Students will lose their free dress days for violations after an initial warning. All students must have a burgundy polo and navy pants. Other items are optional.
- Please return the **green form** you were given at back-to-school night. We need the information on that form. Next month we should be ready to send the newsletter by email.

### [YourSchoolWork.com](http://YourSchoolWork.com)

Each family received instructions on using this helpful tool in their back-to-school packet. [YourSchoolWork.com](http://YourSchoolWork.com) is a convenient way for parents and teachers to communicate about the important issues in the classroom.

Please try to register by following the instructions and let your child's teacher know if you have success or if you have trouble accessing the website.

As the teachers become more familiar with using the website you will see more information and features appearing there.

### WISH LIST

*We have been asked if there are items teachers would like for their classrooms. Here are some; we will add to the list as needs arise.*

*Wall mounted TV and video player for each classroom*

*Video projector for chapel and junior high use*

*Playground equipment - balls, hula-hoops and jump ropes*

*Laptop computers for teachers*

*Sports equipment*

### AFTER-SCHOOL PROGRAMS

We have after-school programs ready to go.

Please sign up your child now for the programs he/she is interested in. Some programs are waiting for sufficient enrollment to begin.

**Flag football** - Mon. & Wed. @ 3pm.

**Volleyball** - Mon. & Wed. @ 3pm.

**Dance** - Thursday @ 3pm. (began 9/20)

**Piano** lessons - by arrangement with the teacher

**Guitar** lessons - by arrangement with the teacher

**Lego Club** - beginning next Wed. (10/3) & Fri. (10/5).

**Musical Theater** - begins Tue. Oct. 9 if enough interest.

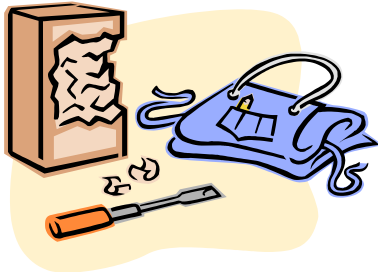

We are already planning some great clubs for the second semester:

Art

Woodworking

Science

Check out Judson's new, updated website at [www.judsonschool.org](http://www.judsonschool.org). It's awesome!!

Take a look at all its new, totally user-friendly features with more to come.

We welcome back Mrs. Sally Dungan to teach Junior High Science after a successful surgery and speedy recovery. We are thrilled to have her on our faculty.

**JUNIOR HIGH PARENTS** please note....

Maranatha 8<sup>th</sup> grade visitation days; High School Fair

See flyer in this mailing for details.

**THANK YOU** to all the families who braved the intense heat on Sep.1 and helped at the workday to get the school ready.

**NOTE: Monday, Oct. 8 & Monday, Oct. 15 - NO SCHOOL**
