WELCOME TO THE NEW YEAR AT JUDSON!!!

Last week our KG – 8th grade program began with a record 117 students, including 10 in our new junior high ESL Class.

This week we began 9th grade for the first time with three full-time and four part-time students.

Next week our Eagle Academy will begin with at least 10 students enrolled and many more are interested.

We rejoice in all God is doing here in the lives of our students. It was thrilling to see the excitement and anticipation on the faces of so many at the Potluck Picnic, the night before school began.

We are blessed with excellent teachers. All are dedicated and have invested countless hours in preparing their classrooms and lessons for their students. Already the Children are learning new things every day.

Parents of full-time students in KG – 8th grades, please join us next Tuesday evening at 6:30pm for our Back-to-School Night. We have a lot of information to impart, and this will be a good time to meet and hear from your child's teacher. Please note that this event is for **ADULTS ONLY**.

We are glad to welcome Bethany Marroquin to our office staff. Bethany will be found at the front desk mostly, and she is already an invaluable member of the administrative team. Please help her by letting her know who you are. We are continuing our Character First program for the fourth year. Our first assembly was last Friday and the students were introduced to their first quality – **DEPENDABILITY**. Their teachers will be working on developing the traits of this quality in the classroom. Please talk to your child and find ways to reinforce their learning at home.
